

ZANDILE TSHABALALA

BIOGRAPHY

ZANDILE TSHABALALA

born 1999 in Soweto (Gauteng, South Africa)
lives and works in Johannesburg

Zandile Tshabalala is the star and the female voice of a young South African urban and self-confident generation of black artists. Her characters – Black women, including herself – defy racist and sexist stereotypes that have been invented in order to pigeonhole Black female identity in narrow boxes. They do not subscribe to one-dimensional, superficial and disparaging role attributions. Thus they assert themselves against the representation of the Black woman within Western-influenced art history.
